SCOPE AND CONTENT NOTE
The microfilm was collected from various sources over many years. The content reflects the research, publication, exhibitions, and special project interests of former AHF directors. About a third of the reels were collected by Dr. Benjamin Sacks when he was creating the *Sacks Collection of the American West, 1830-1912*, a collection of citations on Territorial Arizona. (www.ahfweb.org/collections_sacks.html)

The collection is divided into four series: **Series I:** Newspapers; **Series II**: Government Documents; **Series III**: Personal Papers; **Series IV:** Other
