1927-1975 (bulk 1940s-1950s)**

DESCRIPTION

This collection is made up primarily of photos and ephemera of poultry farms and farming individuals in Arizona. The materials are organized alphabetically by individual or farm name. Photo files organized by subject, including chicken, farm structures and people from the association, are also a highlight of this collection

4 Boxes, 2.25 linear ft.

HISTORICAL NOTE

The Arizona State Poultry Federation, also known as the Arizona Poultry Grower's Association or the Arizona Poultry Association, was probably established in the 1920s. The first documentation is from 1927, but there is no other indication of when the organization was formed. They served organizational and education needs of poultry farmers throughout Arizona. The collection is made up primarily of material from Roland Hartman, who worked for Watt Publishing Company in Illinois.
