

NIGHT AT THE MUSEUM:

HAPPY 90TH BIRTHDAY ROUTE 66

NOVEMBER 11, 2016

6:30-8:30 PM

Route 66 turns 90 years old on November 11! Author and travel writer Roger Naylor will be at Pioneer Museum for a FREE presentation to discuss the Mother Road's history and cultural significance. Naylor will tell the remarkable story of how the state of Arizona saved Route 66 and will share a glimpse of the astounding scenery, small town getaways, and homemade pie along the Arizona portion of the highway.

Roger Naylor is a travel writer who specializes in lonely hiking trails, twisting back roads, diners with fresh burgers sizzling on the grill, small towns, ghost towns, and pie. His work appears weekly in the *Arizona Republic*.

Note: Pioneer Museum will be closed during business hours on this day (Veterans Day) but will open at 6:00 pm for Night at the Museum
