

### *We have a new look!*

Things are changing at The Arizona Historical Society! This month's newsletter reflects a significant change in the way we communicate with our most valued supporters - our membership. This edition and future editions will include important announcements and highlight a few features and upcoming events for each location – hopefully in a more interesting and engaging format. For more information on all the events, we encourage you to click on the links provided or go to our website at <http://www.arizonahistoricalsociety.org/>.

And because we believe it's important to develop a relationship with our membership on a local level, Division Directors will be initiating regular, personalized communications to those members with an affiliation to their Chapter. If you are not affiliated with a particular Chapter, and would like to be, contact [Membership Services](#).

We hope you enjoy this new format. We'd love to hear what you think, so feel free to drop us a note at [Membership@azhs.gov](mailto:Membership@azhs.gov).
