SCOPE AND CONTENT NOTE

The microfilm was collected from various sources over many years. The content reflects the research, publication, exhibitions, and special project interests of former AHF directors. About a third of the reels were collected by Dr. Benjamin Sacks when he was creating the *Sacks Collection of the American West*, 1830-1912, a collection of citations on Territorial Arizona. (www.ahfweb.org/collections_sacks.html)

The collection is divided into four series: **Series I:** Newspapers; **Series II:** Government Documents; **Series III:** Personal Papers; **Series IV:** Other; **Series V:** Addenda

CONTAINER LIST:

Series I: Newspapers

The newspapers are arranged alphabetically, first by state or country location and then by the title of the newspaper. More than one newspaper may appear on a reel. In this case, it is arranged by the first title listed. The date ranges are approximate and some may be incomplete. When known, title changes are noted.
