PC 224
City of Tucson
Mountain Avenue aerial views, ca. 1989

DESCRIPTION

Blueprint aerial photographs of the City of Tucson, Dept. of Transportation's Mountain Avenue Bicycle, Pedestrian and Landscape Demonstration Project, Rillito River to Second Street, March 26, 1989. There is one map of the area and sixteen pages of aerial photographs showing the homes and businesses along the project area.

1 oversize box, 4 linear ft.

HISTORICAL NOTE

City of Tucson, Department of Transportation, Engineering Division initiated the Mountain Avenue Demonstration Project in the late 1980's to guide the improvement of Mountain Avenue from Roger Road to Speedway Boulevard, taking into account the distinctive character of each neighborhood along the route. Phases I and II of the project have been completed. Phase III of the project – Mountain Avenue from Roger Road to Ft. Lowell Road – will involve a number of improvements, with no widening, so that this stretch remains a quiet, two-lane roadway. Preparation for this final phase was planned for 2008.

ACQUISITION

Unknown.
