MS 1247**Warren, Bacil A.****Leupp Indian School correspondence, 1911-1922 (bulk 1914-1917)****DESCRIPTION**

A small amount of correspondence, both personal and administrative, dating from Bacil A. Warren's employment as school and agency physician at the Indian School at Leupp, Arizona on the Navajo Indian Reservation. There is some personal correspondence beginning in 1911 and continuing to 1922, but most is dated 1915 to 1917. There is a printed "Report of Epidemic of United States Indian School, Luepp, Arizona, 1914" concerning measles, chickenpox and smallpox. There are letters requesting supplies and reporting on patients condition.

1 box, .25 linear ft.

BIOGRAPHICAL NOTE

Physician; Basil Warren had a general medical practice beginning in 1902 then began work for the U.S. Indian Service about 1913. He first worked among the Yuma and Kiowa Indians in Arizona and Oklahoma before transferring to work at the boarding school at Leupp on the Navajo Indian Reservation in 1914. He was the Agency and Indian School physician for several years.
