

# Preserving Your Digital Files

A workshop presented by the  
Arizona Historical Society Library & Archives

Saturday, May 5, 2018  
11am - 1pm

Arizona History Museum  
949 E 2nd Street  
Tucson, AZ 85719

Drowning in digital photos, videos, and email? We know we should be backing up our digital files, but what exactly does this entail? This workshop will cover topics like how to migrate digital files from older storage devices (i.e., floppy disks), cloud storage, and preserving social media and email accounts. You'll leave this workshop ready to start making a plan to preserve your digital records for future generations.

*Workshop cost: \$10*
