The Glass Pavilion, above, is a unique glass enclosure overlooking a wooded stream to the south and the Courtyard to the north. It features a Carrara marble bar and is a beautiful space for buffet and bar service, luncheons, receptions or meeting breakouts.

The Brick Courtyard, pictured above, features a 35-foot historic Roosevelt fountain, lighted planters and Palo Verde trees, all of which create a striking ambiance. Versatile festoon lighting contributes to the setting for relaxed alfresco dining, festive fundraisers, romantic weddings or lively proms.

Arizona Heritage Center, nestled in the foothills of Papago Park, is a lovely setting for magnificent Arizona sunsets that serve as a backdrop for weddings, corporate events, fundraisers, receptions and proms. Come experience the feeling.

"This venue has everything and is so affordable for what you get. It's in a perfect location, right in the heart of Papago Park and just steps away from the most beautiful, scenic, desert landscape for photos. They provided tables, chairs, a bar, and staff members for the night. We will definitely be recommending this event space to all our friends and family for their weddings!"
