Photo Postcard
Collection**

DESCRIPTION

The photo postcard collection represents a composite collection of cards from many sources and donors. The collection reflects location views of Tucson, Arizona and other Southwestern areas. Also included are cards from New Mexico, California, Mexico, Texas and other places. In addition to the location index, other cards are arranged by subject, with Native Americans, ranches/ranch life, mountains, missions and desert scenes being especially noteworthy. Postcards in the collection include all major historical periods including undivided backs, real photo cards, white border, linen and polychrome.

15 Boxes, 6 linear ft.

ACCESS
