SCOPE & CONTENT
 This collection consists of program copies for the Annual Phoenix Jaycees Rodeo, which began in 1930 and resumed again in 1937, running continuously each year after that. The last program is from the 1972 event, and it is unknown whether the Rodeo is still held.

Each program features the elected Queen, photos of all the Jaycee participating members, articles and photos of the contestants and photos of the "special guests" each year, which were usually Hollywood celebrities
