SCOPE, CONTENT AND HISTORICAL NOTE

This collection consists largely of scrapbooks related to activities participated in by the Phoenix Memorial Hospital Auxiliary between 1944 and 1995, and includes 13 boxes arranged chronologically by year groups. The first 4 boxes are comprised of materials removed from scrapbooks 15-19, to facilitate better preservation. Histories of both the Phoenix Memorial Hospital and the Auxiliary are contained in the first box and provide the highlight for the collection. Major events participated in by the Auxiliary included luncheons, when awards presentations and installation of new officers were conducted, fashions shows, annual Christmas coffee gatherings and staffing the hospital gift shop. The Auxiliary provided many volunteers throughout the years for various departments and activities within the hospital, to assist doctors and staff.
