HISTORICAL NOTE

Louis Wright Collection

Louis A. Wright was a Consulting Engineer for the General Development Company, a New York firm, and worked in both Globe, Az. in 1909, and later in El Paso, Tx. In 1913-1914.

SCOPE AND CONTENT

Louis Wright Collection

Folder 1 of this collection contains a Ledger displaying letters from W. F. Williams, Chief Clerk for Miami Copper Company, dated November, 1909, to February, 1910. The remainder of the collection is composed of correspondence written primarily to Louis Wright, concerning mining operations and technical analysis of locations for potential mining operations. Included are geology and mineralization reports pertaining to mining locations in Arizona, Nevada, New Mexico, California, Colorado, Idaho and even Alaska.
