

## Cicada's Exoskeleton Worksheet

Read Bug Eric's blog about cicadas in Arizona and view the incredible **pictures** included on the page.

<http://bugeric.blogspot.com/2010/06/cicada-time.html>

What do you learn about the **cicada's exoskeleton** at the blogspot? In the circle draw a diagram of the cicada's exoskeleton. Have you ever seen one of these attached to a tree or a building? When and where?
